

WISTA Summer Orchestra Camp

FAQ

Instruments

YES! You *DO* need to bring your own instrument to camp! Just because the school year is over doesn't mean music education is on hold.... Encourage your young musician to keep up their skills with summer classes and lessons. Camp is just the beginning! Many shops offer summer rental rates, so enquire about extending your rental till the new school year.

Where do we *SLEEP*?

James Lodge has a modern dormitory!

Each dorm room comfortably houses 12 campers with 2 counselors and is just steps from the bathroom. The bunk beds are Twin XL sheet size, but most campers prefer to simply use a sleeping bag. For many of our campers, this is their first overnight experience and so our counselors work hard to make them feel right at home. Don't forget to pack a pillow... and maybe that all-important stuffed animal...!

What session am I in?

Session assignments are finalized in June.

We do our very best to honor your preferences. Assignments are based on many factors including staffing availability, session size, instrumentation needs, and roommate requests. We ask for your patience as we figure out this annual puzzle.

What time?

Registration is 10:30 - 11:30am; Concert begins at 7:00 pm. Arrived early? Take a stroll around the the beautiful Whitcomb-Mason grounds! Doors open for the concert at 6:30pm. As you arrive, please proceed directly into the concert hall. You might even *see* your camper through the 'Zoo Window' on the way!
