Camp Whitcomb-Mason
2024 Session I --- June 23 - June 25
2024 Session II --- June 26 - June 28

******Discount for EARLY REGISTRATION available until MARCH 31st******

Daily Activities

Large Orchestra Rehearsals

Students will experience playing with a large group of new friends from various schools.

Small Ensemble Sectionals

Instrumental techniques and skills are taught in groups divided by instruments.

Movement and Orff Classes

Students have the opportunity to play Orff instruments in addition to their string instrument.

Recreation

Canoeing, swimming, and structured nature explorations are just a few of the activities campers will experience during their three-day stay at Camp Whitcomb-Mason.

Concerts

Each evening ends with a concert. Professional musicians on the first night, our talented staff on the second night, and the last evening of each session ends with a camper showcase concert for parents, friends, and family members!

The Staff

The WISTA Orchestra Camp faculty is comprised of school orchestra teachers from the Madison and Milwaukee areas. An integral part of our camp staff includes counselors who are primarily college age students. Together, our counselors and teachers provide instruction in instrumental technique, performance, and Orff as well as supervise campers as they experience the beautiful outdoors while swimming, canoeing and hiking!

Camp Facilities

Camp Whitcomb-Mason is located in Hartland, WI and is run by the Boys & Girls Club of Greater Milwaukee. The majority of camp activities take place in James Lodge where the main rehearsal spaces, the final concert venue, and sleeping accommodations are located. Barrack-style rooms house 12 campers in bunk beds with showers and lavatories are found across the hall. Meals are served cafeteria style in the same building. Lake Keesus and the swimming pool are just a short walk away!
